65th ANNIVERSARY

Michael Allen,
Chief Executive Officer

Since our modest founding in 1957 as a Larimer County service, SummitStone has grown into the largest community behavioral healthcare provider in Northern Colorado, and we continue to establish new benchmarks for integrated, whole-person care.

Core Values:

- People can and do recover
- We are continuously improving
- We start with "yes"
- We honor diverse identities and their impacts on our clients, our communities, and each other

2022 FACT SHEET

Larimer County Behavioral Health Services at Longview

In 2018, voters approved a measure to fund a behavioral health facility in Larimer County. SummitStone received the contract to provide services along with UCHealth. This integrated care facility will provide licensed, equitable and culturally relevant care and treatment to individuals in crisis with mental health and/or substance use disorders. Services at Longview will be available to everyone in Larimer County who needs urgent intervention for mental health and/or substance use.

- Located at 2260 West Trilby Road in southwest Fort Collins, near the border with Loveland, will provide a central location for all Larimer County residents.
- Expected to open in late 2023
- Offering local access to critical services
- 200 jobs in Larimer County

Ribbon cutting tentatively scheduled for September 2023

How We Use Community Donations

Services for Clients Who are Uninsured and Underinsured

- Sliding scale services (including no cost)
- Non-billable services such as food, transportation, care follow-up
- Services to people who are undocumented or who have migrant or refugee status

Community Education and Engagement

- No cost online mental health screenings
- Mental Health First Aid
- Youth Mental Health First Aid
- Teen Mental Health First Aid
- Question, Persuade, Refer (QPR) Suicide Prevention Training

Emergency and Disaster Response

- Emergency healthcare supports (COVID-19)
- Natural disaster supports (fire, flood, weather)
- Emergency response supports (suicide, mass casualty, traumatic events)

Making the Biggest Impact

Old Paradigm

▶ Focus Funding to Non-Profits Who Are Very Financially Secure

▶ Only Fund Evidenced Based Programming

▶ Fund Only Intervention Based Programming

▶ Fund the Best Individual Org

▶ Select Based on Pathos

New Paradigm

▶ Dollars Go Further With Smaller/Newer Orgs

▶ Innovative New Approaches to Old Problems

▶ An Ounce of Prevention is Worth a Pound of Intervention (Fund Both)

▶ Collective Impact, Community Projects

▶ Using Data to Inform Funding Decisions
