AirGarage

Parking Payment Process

3 easy steps

1. Text **'pay'** to the phone number on the nearest AirGarage sign, scan the QR code or pay through our mobile app.

2. You will then be taken to the web pay page, where you will enter your information.

3. Press **'start rental'** and you're good to go. You can set reminders to end the rental, as well as, **add a discount code here.**
